**Safe Harbor Statement**

*This press release may contain forward looking statements which are based on current expectations, forecasts, and assumptions that involve risks as well as uncertainties that could cause actual outcomes and results to differ materially from those anticipated or expected, including statements related to the amount and timing of expected revenues as well as any payment of dividends on our common and preferred stock, statements related to our financial performance, expected income, distributions, and future growth for upcoming quarterly and annual periods. Actual results and the timing of certain events could differ materially from those projected in or contemplated by the forward-looking statements due to a number of factors among other matters, the Company may not be able to sustain growth or achieve profitability based upon many factors including but not limited to general stock market conditions. We have incurred and will continue to incur significant expenses in our expansion of our existing business and there is no assurance that we will generate enough revenues to offset those costs in both the near and long term. Additional expansion of our service offerings may expose us to additional legal and regulatory costs and unknown exposure(s) based upon the various geopolitical locations we will be providing services in, the impact of which cannot be predicted at this time.*
